

**STATUTORY AUDITOR'S REPORT TO THE GENERAL MEETING OF MEMBERS OF
THE ORGANISATION MEDECINS SANS FRONTIERES
FOR THE YEAR ENDED 31 DECEMBER 2021**

RUE DE L'ARBRE BÉNIT, 46 - 1050 BRUXELLES
NM : 0421.446.093

In the context of the statutory audit of the annual accounts of the organisation Médecins Sans Frontières (the Organisation), we hereby present our statutory auditor's report. It includes our opinion on the audit of the annual accounts as well as our report on the other legal and regulatory requirements. These reports form part of an integrated whole and are indivisible.

We have been appointed as statutory auditor by the general meeting of members of 4th of June 2021, following the proposal by the board of directors. Our statutory auditor's mandate will expire on the date of the general meeting of members which will deliberate on the annual accounts closed on 31 December 2023. We have performed the statutory audit of the annual accounts of the organisation for 10 consecutive years. The current representative of the firm performs the statutory audit of the annual accounts of the association since June 14, 2014.

Report on the audit of the annual accounts

Unqualified opinion

We have audited the annual accounts of the Organisation, which comprise the balance sheet as at 31 December 2021, the profit and loss account for the year then ended and the notes to the annual accounts, characterised by a balance sheet total of 318.501.383,76 EUR and a profit and loss account showing a positive result for the year of 61.949.944,16 EUR.

In our opinion, the annual accounts give a true and fair view of the Organisation's net equity and financial position as at 31 December 2021, as well as of its results for the year then ended, in accordance with the financial reporting framework applicable in Belgium.

Basis for unqualified opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Belgium. Our responsibilities under those standards are further described in the 'Statutory auditor's responsibilities for the audit of the annual accounts' section in this report. We have complied with all the ethical requirements that are relevant to the audit of annual accounts in Belgium, including those concerning independence.

We have obtained from the board of directors and the officials of the Organisation the explanations and information necessary for performing our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Observation - Change in valuation rules

Without qualifying the opinion expressed above, we draw attention to the change in valuation rules that occurred during the financial year. In accordance with article 3:8 of the “Arrêté Royal” of 29 April 2019 implementing the Companies and Associations Code, the justification and the impact of this change on the Association's assets and liabilities, financial position and results are disclosed in annex C-asbl 6.18 of the annual accounts.

Responsibilities of the board of directors for the annual accounts

The board of directors is responsible for the preparation of annual accounts that give a true and fair view in accordance with the financial reporting framework applicable in Belgium, and for such internal control as the board of directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the board of directors is responsible for assessing the Organisation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board of directors either intends to liquidate the Organisation or to cease operations, or has no realistic alternative but to do so.

Statutory auditor's responsibilities for the audit of the annual accounts

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a statutory auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

When carrying out our audit, we comply with the legal, regulatory and normative framework which applies to the audit of annual accounts in Belgium. The extent of legal control does not include assurance as to the future viability of the Association, nor as to the effectiveness or efficiency with which the board of directors has conducted or will conduct the affairs of the Association.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organisation's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board of directors;
- Conclude on the appropriateness of the board of directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our statutory auditor's report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our statutory auditor's report. However, future events or conditions may cause the Organisation to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the annual accounts and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

Based on the procedures we have performed, there are no material misstatements we have to report to you.

Statement related to independence
